

House

- VOTED BEST OF DC - { BEST RECORDING STUDIO }

"After visiting House my first time, I see why they are the number one studio in the DMV" -Young Guru

RECORDING

Two recording studios including our SSL Suite and Native Instruments Suite, as well as a user-friendly writing/production suite.

TREEHOUSE

A 3000 sq. ft creative space with a full cyc wall provides the ability to shoot green screen content and is large enough to shoot groups, and even vehicles.

AMENITIES

Wi-Fi, Kitchen, Conference Rooms, Complimentary Refreshments, DJ Booth, Production Suite, Xbox One, and an open loft-styled conference space.

House Studios is a GRAMMY Award-winning, state-of-the-art studio. Our detail-oriented creative team includes professional Engineers, Producers, Photographers, Film Makers, Administrators, and Executives. We are the "go-to" studio for artists living in and visiting the D.C. Area. **Please contact our Studio Manager to tour or book our facility.**
