

SANDPIPER

HOSPITALITY

2021 Electronic Directory

The “Spirit of Welcome!” is alive and well at Sandpiper. In fact, in many ways, it defines our attitude and behavior. By virtue of this spirit, we have the opportunity and responsibility to enrich the lives of so many people; to touch and influence so many essential people beginning with our associates, extending to our guests and our communities and finally, to our investors and partners.

Sandpiper Hospitality was born out of an entrepreneurial spirit determined to find the optimal cross-section of genuine, welcoming hospitality and superior guest service. That spirit is as bright as ever today, to exceed the expectations of our guests and associates.

And it all begins with a Sandpiper Welcome!
